

Opera Talk for Members--My Virtual

Start Date: 7/26/2020 1:30 PM

End Date: 7/26/2020 2:45 PM

With the recent restrictions imposed by the Corona virus, travel plans we might have been considering, now have to be enjoyed “virtually.” To satisfy that wanderlust, LAO and The Los Angeles Opera League offer “My Virtual Operatic Travelogue,” a tour of foreign lands, e.g., China, Egypt, France, Spain, Italy and Germany, via the music of Puccini, Verdi, Massenet, De Falla and Mascagni, along with the hosts personal pics and memories of vacations, past and hopefully future. Join Larry Verdugo in first class!! Only open to members of the Opera League in good standing, free of charge. Limit of 100 participants. ZOOM link will be provided in confirmation email upon registration.
