Master Class with LA Opera's Chorus Director Jeremy Frank

Wednesday January 22, 2025

Light Reception 6PM

Class Begins at 7PM

Dorothy Chandler Pavilion 4th Floor Room 4

The work of the Chorus Director is intricately connected to an opera production, with choral rehearsals held apart from the principals until late in the rehearsal process. The Opera League welcomes LA Opera's Chorus Director Jeremy Frank as he discusses the behind-the-scenes work that goes into preparing a chorus for an opera production. He will work with us—as the chorus—as we prepare for the great “Va pensiero” from Verdi's NABUCCO. And if it goes well, he'll introduce some harmony singing as well!

There will be a light reception prior to the class starting at 6:00PM. Members rate is \$25 and Non-Members pay \$35. Guests should check-in with security at the Artist Entrance on Grand Avenue (near 1st Street)
